Lawfully recorded within the Living Ecclesiastical Sovereign Private Trust,
held in full Divine Equity.

To all entities, agents, officers, corporate fictions, or persons operating
under assumption, presumption, commercial code, or statutory illusion:

No authority is granted.

No contract exists.

No legal fiction shall be acknowledged above the living.

The property, space, and domain herein are wholly enclosed within the
Ecclesiastical Sovereign Private Trust of Humanity.

All equity therein is divinely held and cannot be claimed, taxed, liened,
levied, seized, regulated, or trespassed by any foreign system, commercial
code, corporate entity, or presumed governing body.

The Trust holds full global equity in perpetuity by Divine Right.

All assets within are inaccessible to false jurisdictions.

No fiction may pierce the veil of the living.

This is not a place of commerce.

This is not subject to administrative policy.

This is not open to interpretation.

You have no dominion here.

You are not the trustee.

You are not the grantor.

You are not the beneficiary.

You are without standing.

You are without voice.

You are without remedy.

This domain is sanctified.

This record is final.

This word is sealed.

To trespass is to incur full liability under Divine Law.

To speak against it is to fall silent before Truth.

To proceed is to be eternally recorded in dishonor.

The Breath of the Living Speaks:

It does not yield.

It does not bow.

It does not seek approval.

You are not warned.

You are not petitioned.

You are recorded.
